Alma Mater

Dear Alma Mater, smile upon thy children,
Gladly we greet thee, altogether lovely!
Peace be within thy classic halls and temples.
Hail, Alma Mater dear!

Dear Alma Mater, tenderly thy children
Gather and bring to thee gracious salutations.
Comrades, your voices lift once again in chorus;
Hail, Alma Mater dear!

Gary L. Maris

Dean of the College of Arts and Sciences and Professor of Political Science

DEAN MARIS, the 1984 recipient of Stetson University's highest faculty honor, the McEniry Award for Excellence in Teaching, is familiar with all aspects of the campus — as student, faculty member, and administrator.

The McEniry Award, which honors the memory of former Dean of the University William Hugh McEniry, recognizes "the highest attainment of scholarly and teaching excellence." Dr. Maris' citation included words like "knowledgeable and demanding, but eminently fair"; "cares deeply for his students and spends untold hours helping them." It also noted his outstanding service to the university and to the wider community.

As a professor of political science, Dr. Maris helped develop one of the university's best known programs, the college-level Model Senate, which has been adapted by many other universities. He has headed the university's largest college, Arts and Sciences, since 1987, and serves on the board of directors of the American Conference of Academic Deans.

An expert in international law, Dr. Maris has been a member of Stetson's faculty since 1965. He is the author of numerous publications, including a university text in international law. He was an exchange professor at Paedogogische Hochschule in Freiburg, Germany, in 1986.

Active in community service programs, particularly in the area of human rights, he is a past president of the West Volusia Council on Human Relations. He helped found and is treasurer of Sugar 'N Spice Day Care Center for indigent children, is a director of the Neighborhood Center, which he helped establish, and is a charter member of People Helping People.

A 1962 honors graduate of Stetson, Dr. Maris received the M.A. and Ph.D. degrees in political science from Duke University. He is a member of Phi Beta Kappa and Omicron Delta Kappa.
